To get started, I need good-quality digital photos, I can also work with printed photos if they are clear and sharp. The more reference photos I have to work with, the better.

PETS: Eyes are the key to the soul, please (if possible) try to include a close-up of the facial features.

HOMES: Aside from the entire home, close-ups of the front door and other interesting features are ideal. If you want a pet or certain seasonal flowers or trees, let me know in advance.

Allow approximately 2-4 weeks (rush orders can be accommodated).

PA 7% sales tax will apply to local orders. Shipping charges are additional.
